

Dear Editor,

On behalf of Mid Michigan Community Action Agency, I would like to thank the Mechanical Inspectors Association Michigan for the generosity and support of their Community Outreach Program. Through this program 75 handmade blankets were donated to MMCAA to be used in our homelessness programs.

Their generous donation will provide a measure of comfort to those in need. In order to advance in the statewide initiative to end poverty, it takes the support of the community and civic-minded organizations such as the Mechanical Inspectors Association.

In addition to the donation of blankets, they also contributed a cash donation of \$325 to be used to provide unmet needs for homeless individuals. This was in addition to the \$250 that was raised within our office to purchase plastic tote bags and personal need essentials for 20 homeless individuals.

We are grateful for their donations and the example they provide.

Sincerely,

Pattie Geisert, Homeless Resource Coordinator
Mid Michigan Community Action
