Dear Students, Parents, Staff and Community Members:

CPS and Chartwells Food Service are working on assisting families by providing meals to children up to age 18 (age 26 with disability). We are offering two meals per child per day for 3-4 days at a time, available for pickup on Thursdays and Mondays, beginning March 19th, 2020.

Parents will be able to pick up meals in the loop east of the middle school gym curbside (no entry into the building, no need to exit your car). Pickup will be available from 4-6 p.m. on these days.

In order that we plan effectively for the right amount of food and staff on hand to prepare, please call 989.386.1258 as soon as is possible to request the service (for accurate counting purposes only...there is no charge to families).

Our goal is to feed kids. No ID is required to pick up meals, they are free to all children.

Thank you in advance.

Sincerely,

Jim Walter, II
Superintendent

Clare Backpack Program food pick up

Farwell Area Schools

Beginning March 17, 2020

School bus food delivery program

Tuesdays and Thursdays for the at least the next three weeks and may be extended if needed

Our buses will depart for their normal run beginning at 11:00AM. Your food delivery time will be approximately 5 hours later than your normal morning pick-up time.

They will include multiple meals. One family member may pick up meals for all members of the family 18 and under. We will include some educational resources with each delivery and links to educational resources loaded to our Facebook Page and the district's website.

Anyone not wanting a food delivery can contact our transportation department at 989-588-9111

We will offer pick up at the Farwell Area Schools from 3-6PM at the JPAC Bubble Entrance.

Harrison Community Schools/Chartwells

Beginning March 19, 2020

4-6PM Monday and Thursdays

They will be serving breakfast and lunch to all children who are 18 or under (or under the age of 26 with a disability). They will hand out meals on Monday and Thursday at the Harrison Middle School to any car that pulls up front of the building between 4-6 pm. Do not exit your vehicle. You will have breakfast and lunch for all 7 days of the week on those days.
